

SAFETY INSTRUCTIONS

Please read the instructions carefully and retain it for future reference. **New Works Aps** is not responsible for any faults or damages caused by not following the instructions correctly. Do not modify the product in any way.

The lamp is only intended for indoor use, consult a professionally qualified electrician if any doubt.

Only use approved light bulbs following guidance **220V- 240V ~ /60Hz AC Only E14 LED Max 40W or CFL/ESL Max 11W or LED 4W** (Bulb not included).

The light bulb and lamp exterior may get hot after prolonged use.

Turn off the power before replacing the bulb. Make sure the bulb has sufficient time to cool down. Do not subject to the lamp to any shock as this may cause the lamp to shatter.

Keep the product out of children's reach. Dispose the packaging and do not allow children to play with it.

ASSEMBLY INSTRUCTIONS

Read the instruction carefully and turn off electricity at main circuit breaker panel before beginning the installation.

Warning all wires are connected - when unpacking the box, be careful not to pull wires, as this may result in a bad connection.

Do not connect the electricity until the lamp is fully installed. Unpack and place all parts on a levelled and stable surface.

1. (A) Material Shade in Selected Mateiral.
2. (B) Inner Fitting
(The Black Sheep Edition and Opal glass version is without white reflector)
3. (C) Light Bulb (Not included)
4. Canopy Optional

CLEANING

Turn off the electricity before cleaning the lamp. Wipe the lamp exterior with a soft dry or moist cloth, Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine.
