KERNEL

KERNEL PENDANT LIGHT

Clean, simple lines and repeating shapes. Kernel is composed of intersecting horizontal and vertical lines and geometric forms. Four opal glass spheres framed within a matte lacquered rectangular shade. Laser cut brass diffuser echoes the shape of the encased spheres, fluid and curving. An unexpected twist.

DESIGN NOTES

In profile, Kernel is simply a rectangle interrupted by circles. But detailing such as the swirling laser cut diffuser turns simple into special. An unexpected twist that typifies the Bert Frank design philosophy.”
